BRIEF ABSTRACT OF LETTER.

States that the work of the Munsiffs' Court justifies the temporary process establishment being made permanent and requests sanction of Govt thereto, the said establishment being allowed to continue till orders are passed on the present recommendation.

NOTES AND ORDERS.

The permanent strength of the process establishment attached to the Tuticorin Munsiffs' Court consists of 6 Annis (2 of the 1st grade + 4 of the 2nd) and 18 process servers (5 of the 1st grade + 13 of the 2nd). On the recommendation of the Chief Court, a temporary additional establ

ment consisting of 2 amins & 5 process servers, both of the second class, was sanctd in March 1912 for one year which was extended by a further period of one year. This period expired on 31-3-1914.

2 The Chief Court now recommend that this temporary establishment may be made permanent and that pending orders, it may be allowed to continue, the cost for the two months of the current year being met from the lump sum provision of Rs2000/- made in the budget for such temporary process establishments.

3 In the year 1910-11 the total no of processes executed was 11,578. The number for the two subsequent years during which the temporary establishment has been attached is 13788 & 14743 respectively. The number of suits however, which arose from 2000 in 1910-11 to 2300 in 1911-12 has fallen to 1900 in 1912-13.

4 The First Munsiffs' court at Bangalore with an average of 1900 suits a year has 10 amins & 24 process servers and the Second Munsiffs' Court with an average of 1250 suits has 12 amins & 33 process servers. But these courts have to execute processes issued by the District and the Subordinate Judges at

8 The average no. of processes served by each amin & process server in each of the three courts during the year 1912-13 is deduced from the comparative statement furnished by the Dist. Judge and is noted hereunder :

	Tumkur	I Munsiff, Bangalore	II Munsiff Bangalore
Ameens	242	272	113
Process Servers	641	571	248

9 According to the process rules, quoted on page 2 of the note in Court Collee" 1624 1911", each amin and each process peon is expected to serve 150 & 400 processes a year respectively. For purposes of calculation, the no. of peons available for ordinary work will be 3 less than the present Scale, the three peons being told off for Court attendance, enquiry work &c. This principle has been followed in arriving at the above figures.

that the work turned out & the process serving Establishment at Tumkur is fully 50% over that required under Standing Rule. We have also shown that after the strength is reduced the remaining 40 horses have a very heavy addl. duty which they cannot reasonably be expected to cope with. As the figures show that there is sufficient work for the temporary staff it may be confirmed. The Extra Cost involved is Rs 840/- per annum and as pending the process fees realised more than pay the process serving Establishment this addl. Cost cannot be grudged. for If has therefore been sanctioned.

From

Registrar of the Chief Court of Mysore

To

K. R. Srinivasiengar, Esq., M. A.,
Secretary to the Government of Mysore,
General and Revenue Departments.

S i r ,

Adverting to the correspondence ending with ...ceedings of Government No: J 2907-8/Cts 236-12-2 dated 31st March 1913, according sanction to the retention of the temporary process establishment (2 Amins and 5 peons of the second grade) of the Tumkur Munsiff's court sanctioned in Government order No: J 2656-7/Cts 162-11-3 dated the 13th March 1912, for a further period of one year in consideration of the heavy process work of that court, I am directed to state that the District Judge of Bangalore recommends that the said establishment be made permanent as the work of that court has been steadily increasing and that pending final orders the temporary establishment be allowed to continue. The Chief Court are of opinion that the work of the Munsiff's court justifies the recommendation of the District Judge as will be seen from the enclosed

comparative

comparative statement. I am therefore to request that Government may be pleased to accord sanction to the said establishment being made permanent and that pending orders it may be allowed to continue as the period for which it is already sanctioned expires on the 31st instant. Necessary provision for the additional establishment will be made in the Budget for the next official year. The cost for the remaining two months of the current official year may be met from the lump sum provision of Rs 2000 sanctioned in the Budget for temporary process serving establishments.
